National Dancing with Parkinson's Workshop

Saturday 10 July, 2 - 3.30pm via Zoom

Join Danielle Teale and Jaka Škapin for a special workshop online. As we come to the end of the first phase of the CID Project, come together with dancers from five Dancing with Parkinson's groups from across the UK, and celebrate all we have achieved.

Using live dance and music, this workshop will provide an expressive, moving and creative opportunity, allowing for individual communication and interpretation in your own home environment.

All you need is the willingness to join in and have fun connecting with a group of like-minded members of the Parkinson's community. **Register with your own class leader. Zoom details will be sent to you in advance of the workshop.**
